Dear Mr. Melvin:

The North Carolina Water Treatment Facility Operators Certification Board's pre-approval committee has reviewed your application regarding continuing education courses for drinking water treatment operators. The committee is pleased to inform you that your request for pre-approval has been approved for the following course(s).

<u>Course Name</u>	<u>Course Number</u>	<u>Contact Hours</u>
NC Water Operator Continuing Education	143492	6

Approval for the course(s) listed above will not expire unless there are deviations from the submitted information (including instructor and/or course content). Information regarding your approved courses will be posted on our website to assist operators in their selection of professional growth education opportunities.

As a training provider, you must submit an attendance roster via internet within 15 days following completion of training modules by operators using your online services.

Please feel free to call me at any time should you require assistance or have any questions.

Sincerely,

*Carmalin Walter*
