<b>5674</b> Surface Water Treatment Plant Operations	<u>10/31/2012</u>	<u>10/31/2015</u>	<u>3</u>

According to your approval request, this course will be offered more than once; however, the training content or subject matter will remain the same. It will not be necessary to acquire additional approval each time it is offered.

In the event the content or subject matter changes, a new Training Providers form must be submitted for approval. Please note that this training course approval is valid for three years. After three years, a new Training Provider Form Must be submitted.

At the time of training, please be sure to tell the operators to record the course identification (ID) number and course name exactly as identified in this letter when submitting the operator training submission form to the Illinois EPA.

Sincerely,

Paul Connelly
