@ypotech	31-Oct-12	31-Oct-21	5674	Surface Water Treatment Plant Operations	180	Renewed 8/31/18 pc At Your Pace Online. Discusses various surface water treatment processes and the role they play in producing safe drinking water that meets Public health and US EPA requirements. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5675	Source Water Issues and Pretreatment	150	Renewed 8/31/18 pc Outlines the various source water types and the important role they play. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5676	Coagulation and Flocculation	180	Renewed 8/31/18. pc Focuses on the critical role that particle combining and mixing play in the surface water treatment process and how necessary they are in producing safe drinking water that meets Public Health and US EPA requirements. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5677	Sedimentation and Filtration	180	Renewed 8/31/18 pc Focuses on the critical role that particle removal plays in the surface water treatment process. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5678	Disinfection	150	Renewed 8/31/18 pc Focuses on the critical role that pathogen inactivation plays in the surface water treatment process. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5679	Corrosion Control	180	Renewed 8/31/18 pc Focuses on the importance of maintaining properly balanced water as well as various types of corrosion control methods for the protection of distribution systems. Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5680	Advanced Oxidation and UV Disinfection	120	Renewed approval 8/31/18. pc Introduces water treatment and distribution operators to the operation, uses, and types of advanced oxidation and UV processes including ozonation and UV treatment Re-approved 8/25/15.
@ypotech	31-Oct-12	31-Oct-21	5681	Membrane Processes	120	Renewed 8/31/18 pc Introduction to operation, uses, and types of membrane processes including reverse osmosis, nanofiltration and electro dialysis reversal. Re-approved 8/25/15.

Thank you for your interest in our DW operators.

Sincerely,

Paul Connelly
